TINK
TINK
FWOOSH
They just keep coming!
It's like some idiot just stirred up a damn hornet's nest!
SMAAAAAASH!
But Miss, we must be close!
These pipsqueaks ain't nothin'!
Y-yeah leave the riffraff to us!

I wanna see it...

What kind of power he has!

A punch like that he's gotta be down for the count!

Right, Toma?

Toma?

No way. There's no way he's going to do it...

Do what?

CLAP

In the comics... he never...

TOMA! Come on, you've been debunked on that multiple times!

PAGE 297!

"The King's Titan"

SKITTER

The Book of Pages just isn't an army, it's a spell book Trudy spent his entire life studying. If Faux learned it too...
